the fascinating story of the young woman who made the historic lewis and clark expedition possible

kessler supplies both the biography of a legend and an explanation of why that legend has endured sacagawea is one of the most renowned figures of the american west a member of the shoshone tribe she was captured by the hidatsas as a child and eventually became one of the wives of a french fur trader toussaint charbonneau in 1805 charbonneau joined lewis and clark as the expedition's interpreter sacagawea was the only woman to participate in this important mission and some claim that she served as a guide when the expedition reached the upper missouri river and the mountainous region although much has been written about the historical importance of sacagawea in connection with the expedition no one has explored why her story has endured so successfully in euro american culture in an examination of representative texts including histories works of fiction plays films and the visual arts from 1805 to the present kessler charts the evolution and transformation of the legend over two centuries and demonstrates that sacagawea has persisted as a euro american legend because her story exemplified critical elements of america's foundation myths especially the concept of manifest destiny kessler also shows how the sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods including suffrage for women taboos against miscegenation and modern feminism

the nineteenth century revis it ed the new historical fiction explores the renaissance of the american historical novel at the turn of the twenty first century the study examines the revision of nineteenth century historical events in cultural products against the background of recent theoretical trends in american studies it combines insights of literary studies with scholarship on popular culture the focus of representation is the long nineteenth century a period from the early republic to world war i as a key epoch of the nation building project of the united states the study explores the constructedness of historical tradition and the cultural resonance of historical events within the discourse on the contemporary novel and the theory formation surrounding it at the center of the discussion are the unprecedented literary output and critical as well as popular success of historical fiction in the usa since 1995 an additional postcolonial and transatlantic perspective is provided by the incorporation of texts by british and australian authors and especially by the inclusion of insights from neo victorian studies the book provides a critical comment on current and topical developments in american literature

despite a recent increase in the productivity and popularity of indigenous playwrights in canada most critical and academic attention has been devoted to the work of male dramatists leaving female writers on the margins in indigenous women s theatre in canada sarah mackenzie addresses this critical gap by focusing on plays by indigenous women written and produced in the socio cultural milieu of twentieth and twenty first century canada closely analyzing dramatic texts by monique mojica marie clements and yvette nolan mackenzie explores representations of gendered colonialist violence in order to determine the varying ways in which these representations are employed subversively and informatively by indigenous women these plays provide an avenue for individual and potential cultural healing by deconstructing some of the harmful ideological work performed by colonial misrepresentations of indigeneity and demonstrate the strength and persistence of indigenous women offering a space in which decolonial futurisms can be envisioned in this unique work mackenzie suggests that colonialist misrepresentations of indigenous women have served to perpetuate demeaning stereotypes justifying devaluation of and violence against indigenous women most significantly however she argues that resistant representations in indigenous women s dramatic writing and production work in direct opposition to such representational and manifest violence

the award winning author scott o dell brings sacagawea s story to life giving us a breathtaking account of this young heroine s role in an american saga sacagawea a young native american woman accompanied by her infant and her cruel husband experiences joy and heartbreak when she joins the lewis and clark expedition seeking a way to the pacific when young sacagawea first lays eyes on the white men coming up the river she cannot imagine the impact they will have on her life and she on theirs for the men coming up the river are about to make history and she is going to help them sacagawea joined the lewis and clark team as an interpreter and guide her knowledge of the language land and people of the unchartered west made her an integral part of their success like the author s newbery medal winning classic island of the blue dolphins scott o dell s streams to the river river to the sea is a gripping tale of survival strength and courage

the much mythologized indigenous woman takes control of her own narrative in this formally inventive historically eye opening novel the new york times in my seventh winter when my head only reached my apple s rib a white man came into camp bare trees scratched sky cold was endless he moved through trees like strikes of sunlight my bia said he came with bad intentions like a water baby s cry among the most memorialized women in american history sacajawea served as interpreter and guide for lewis and clark s corps of discovery in this visionary novel acclaimed indigenous author debra magpie earling brings this mythologized figure vividly to life casting unsparing light on the men who brutalized her and recentering sacajawea as the arbiter of her own history raised among the

lemhi shoshone the young sacajawea in this telling is bright and bold growing strong from the hard work of learning all ways to survive gathering berries water roots and wood butchering buffalo antelope and deer catching salmon and snaring rabbits weaving baskets and listening to the stories of her elders when her village is raided and her beloved appe and bia are killed sacajawea is kidnapped and then gambled away to charbonneau a french canadian trapper heavy with grief sacajawea learns how to survive at the edge of a strange new world teeming with fur trappers and traders when lewis and clark s expedition party arrives sacajawea knows she must cross a vast and brutal terrain with her newborn son the white man who owns her and a company of men who wish to conquer and commodify the world she loves written in lyrical dreamlike prose the lost journals of sacajawea is an astonishing work of art and a powerful tale of perseverance the indigenous woman s story that hasn t been told poetic prose interweaves factual accounts of sacajawea s life with a first person narrative deeply rooted in the physicality of landscape and brutality of the times seattle times a literary masterpiece a whirlwind of a story that made me shiver in response to its difficult beauty susan power author of the grass dancer

american stories follows the evolution of our founding stories and myths and how they spread far and wide throughout our history the story of the cherry tree for example tells us nothing about george washington s actual childhood but surely it tells us something about what americans wanted in the father of their country an incorruptible leader of the people along the same lines the story of betsy ross s flag tells us nothing about how the stars and stripes came to be but does tell us something about what americans wanted in a founding mother it is no coincidence that the ross story featuring a traditional woman s role of sewing at home was first told in 1870 one year after elizabeth cady stanton and susan b anthony challenged these roles by founding the national woman suffrage association there s another reason these stories spread and that provides another reason to follow their evolution from dodge city to deadwood and from bunker hill to san juan hill and beyond these stories all have one thing in common they are all a lot of fun to read

a graphic novel for children ages 7 to 10 sacajawea was a brilliant multilingual shoshone girl who was torn from her home at a young age in 1804 she set out with the lewis and clark expedition acting as an interpreter and guide across hundreds of miles of unmapped land to reach the pacific ocean almost 200 years later she became the first indigenous woman to appear on a us coin this is her story
